What does this mean for my family?

Any student currently enrolled at Orewa Primary School will not be impacted by a change to the enrolment scheme. All students enrolled (and have started attending) will be entitled to continue attending Orewa Primary School, irrespective of where they currently live.

The change to the home zone will affect all enrolments starting 1 January 2023. It is important to note that enrolment starts when you first attend school, not when enrolment forms are completed.

An in-zone enrolment is automatically entitled to enrol at the school. An out of zone enrolment is not guaranteed a place at the school and you will need to apply through the school's out of zone processes if there are spaces available.
