## Coaching and Managing

Coaches and managers are a vital part of school sports. Teams will never be entered into a competition without a coach and a manager. We do understand that it can be a little daunting putting your hand up to coach or manage when you may have never done so in the past. Sam Godfrey the School Sports Co-ordinator is happy to support all the coaches and managers, by guiding and assisting new people who have decided to take on one of these roles as well as helping established coaches. If you would like to coach or manage or have any questions around what is involved please contact sports@orewaprimary.school.nz
